Virtual Mobility Grant - NET4Age-Friendly Participants' Interest

Hab. Dr. Eng. Amine HAJ TAIEB
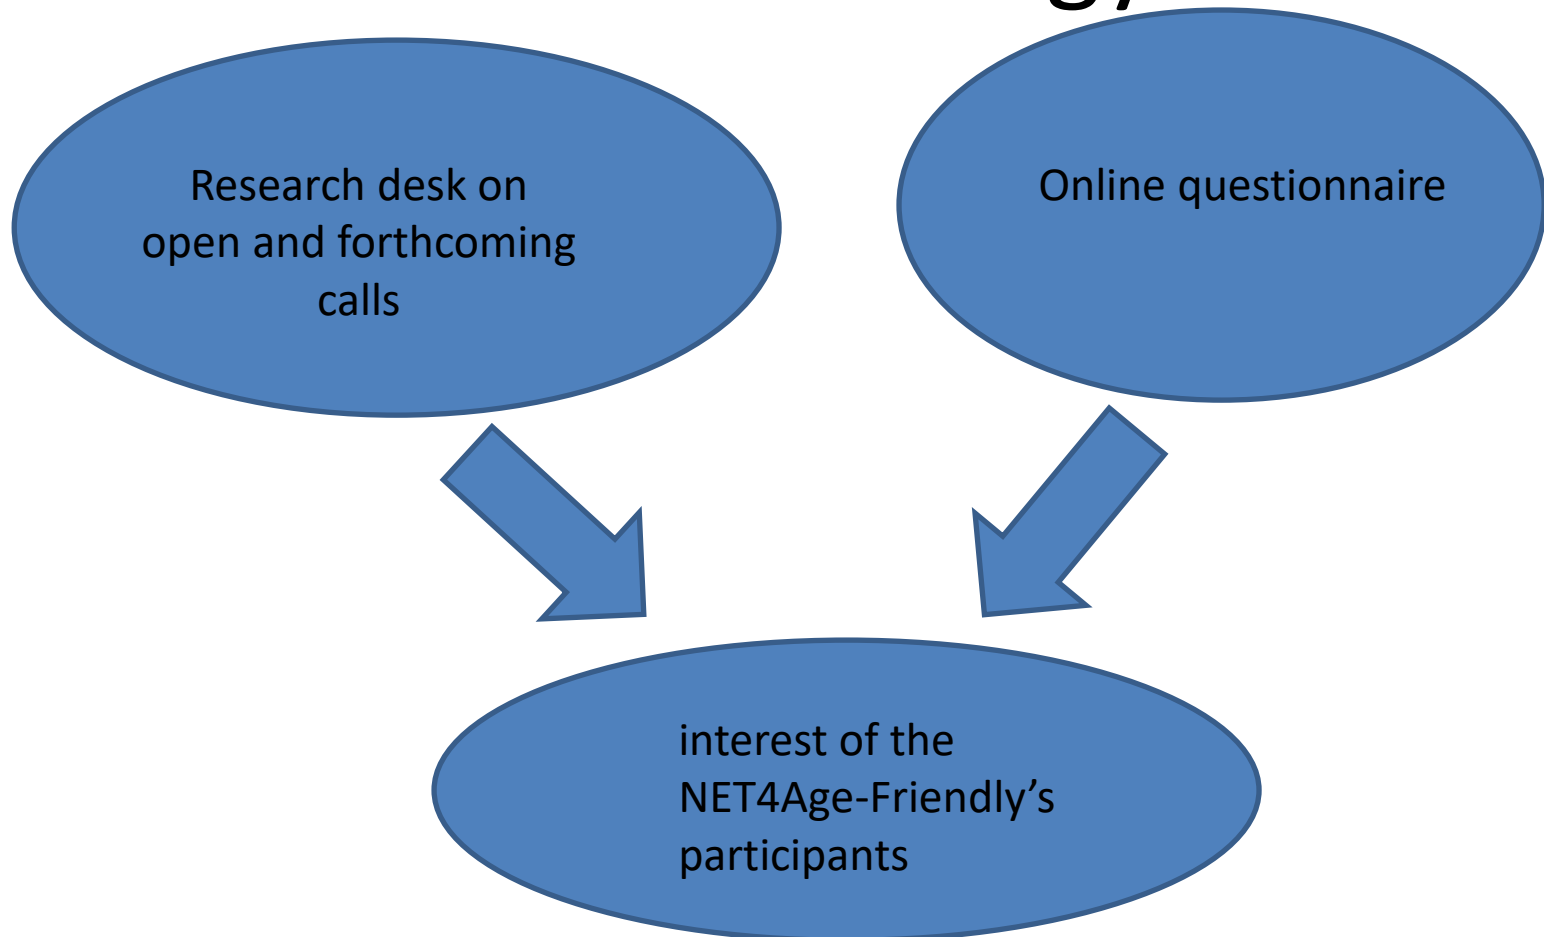

ISAMS/USF - Tunisia

Objective

To obtain comprehensive information about the interest of the NET4Age-Friendly's participants in current or forthcoming calls related to the practice and deployment of Smart Healthy Age-Friendly Environments, about their potentials and needs.

To achieve the objectives of the "NET4AGE-friendly Participants' Interest ", a list of open and forthcoming calls was presented at the questionnaire. The questions are designed to obtain relevant information about the interest of the participants in the calls (here listed and others), the expertise they offer, their need for a partner (what kind, with what expertise, at what career stage).
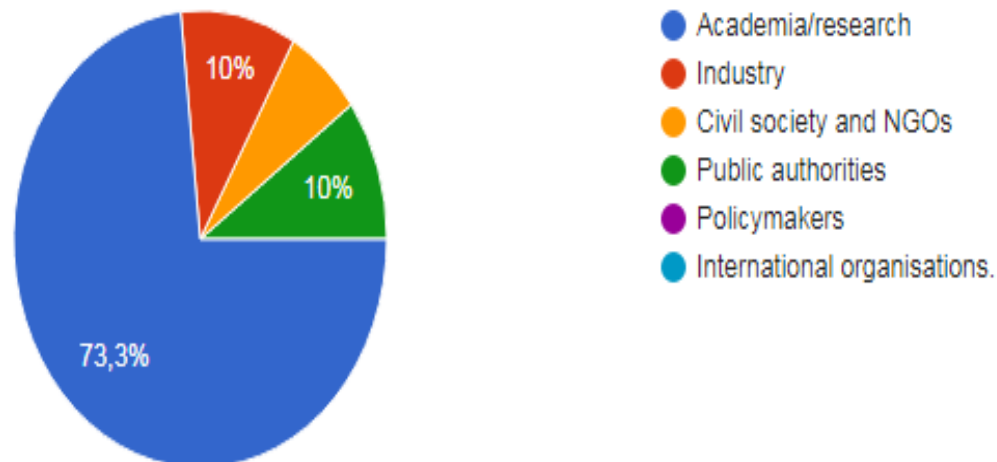

Methodology

Research desk on open and forthcoming calls

Online questionnaire

interest of the NET4Age-Friendly's participants
