

Continuity of activities of retired professors in favor of the Society

Main goals of the Virtual Mobility Grant

- 1. Development of knowledge and experience gained by senior teachers from the Association "Seniors of AESM".**
- 2. Selection of the most relevant research results obtained by seniors and their co-partners in this green society.**
- 3. Publication of the results of the selected researches.**
- 4. Presentation of the research results for the Basic Group of NET4Age-Friendly COST Action CA19136.**

Association „Seniors of AESM” – **Green Society**

The purpose of the Association "Seniors of AESM" is to obtain for adult teachers the following facilities:

- live independently and safely for as long as they can
- be involved in their native AESM community
- be psychologically healthier
- stay in a job for as long as they want
- learn new things and stay active
- get their rights and be treated with respect.
