

WEBINAR CYCLE

GREEN PAPER ON AGEING

16 March 2021 | 11 CET

https://ec.europa.eu/commission/presscorner/detail/en/ip_21_191

SPEAKER

Irina Kalderon-Libal

Policy Officer European Commission

MODERATOR

Carina Dantas

carinadantas@shine2.eu

"The fact that we are living longer, healthier lives than the generations before shows the success and strength of our social market economy. But it also presents new challenges, and offers opportunities which we need to consider. This green paper will launch a discussion on tapping the full potential of an ageing population - the drivers for innovation which it presents, and the policy responses required."

Dubravka Šuica, Vice-President for Democracy and Demography
